of Yesterday.

In Skirmish Yesterday a Detachment of Boers Lost Twenty Killed.

DEATH OF GENERAL WARREN BUMORED.

London, Jan 19 .- It was rumored on

the stock exchange this morning that after e'-biese hours' fighting Ladysmith had been a lieved and treneral Warren had been at led Nothing was obtained, however, tending to verify the rumor. and it had no appreciable effect on the

REVERE SKIRMISH. London, Jan 19.—General Spiler tele graphed the war office from Spearman's np, under date of last evening, as fol-

mounted troops, came into action this afternoon with a force of Boers, west of Acton Homes. After the fight he occupted several kopies, which he is still holding. Field Cornet Heilbergn and twanty Boers were killed, and fifteen prisoners were taken. Two British solliers killed and two wounded."

BRITISH SHELL TRENCHES. Spearman's Camp. Natal, Jan 18.-8:25 p. m —The Boer trenches have been persistently shelled by the naval guns all day. Small parties of Bog; were seen at made a demonstrat on in the direction of forts. Brakefontein ko; jes, four miles north of the British position, under cover of heavy artillery fire to which the Boers did not respond. On the left General Warren's troops are in possession of two promi-nent kopjes behind splonkop. There was some Boer snipling but it was in-effective. The Granfri-net Boers evacu-ated Priesks on January 15, and returned northwestern.

northwestward across the river. TRYING TO RELIEVE LADVOMITH London, Jan. 19 .- Messages from the front appear to confirm the general im move quickly, though hardly as rapidly as the tongues and pees of rumor mongers. There is nothing up to the present to support the story that the re-lief of Ladysmith is an accomplished fact, but is is learned on excellent authority that the situation is now regarded at the beleaguered town is considered practically relieved, although there is no atlempt to underrate the danger and diffi-

Dundonald secured an important position westward of that place during the even-ing of January 17, on the Soors right flink, threatening the Free Staters comway of Van Reenan pass. The British camp outside of Ladysmith ought to be country is open. Sir Ettis Ashment Bart Celony, expresses satisfaction with Gen-eral French's disposition of his troops. Patrick Regan, who is sojourning for Patrick Hogan, who is solouraing for the past few days in this city, to-day received a letter from Warren Graham, of Madrid, giving the information that David Jones, while at work in the mines, had the misfortune to have his back broken, and the chances are that the injury will result in his death. Mr. Jones is well-known in this city, and his serious injury is regretted by a host of ous injury is regretted by a host

The city clerk has issued, and Marshal McMillen served to-day upon the property owners and agents, the city council's orders for the construction of an eight-foot plank eidewalk on the west side of north Fourth street from Rali-road avenue to the Mountain road. The road avenue to the Mountain road. The walks must be built by February 20. 1900. This movement by the council is satisfactory to the resident property owners, and will without a doubt be of great benefit to the street. Many im-provements are now under way, and more are contemplated. As the only northern

CLEANING UP FILIPINOS. outlet from the city, and practically a boulevard, north Fourth street to the boulevard, north Fourth street to the coming residence street of the Fourth ward.

Division Changes The following changes are announced on the Santa Fe road: R. J. Parker, late superintendent of the middle division, assigned to Pueblo, in place of Chas. Dyer, who goes to Denver; Superintend-Half Dozen Different Bands Wiped ent Donn takes the place vacated by Parker; Superintendent Bailey, of the Oklahoma division, coss to Wichita; Trainmaster Tice is promoted to the place vacated by Bailey.

OTERO VS. CATRON. The Las Vegas Optic insists that a terrific political fight is pending between Severnor Otero and Mr. Catron, and that the factions are being lined up for the

fray. The Optic figures that the county delegations will stand as follows: Bernattile county will be for Oters he Hubbells have the organization and Alejandro Saudoval is with them. Perea is at Washington and will not be nome

time to do any damage. Chaves rounty will be Otero's, as he has a number of appointees who will look after it for him. Colfax county is doubtful, as both Cat-

Donn Ana county will likely be looked fter by Pat Garrett and Pat is friendly o Mr. Catron. Susdainpe county is considered as safe

for Catron.
Grant county will go either way.
Lincoin county is being watched and looked after by both factions. Mora county is divided, with Catron ecidedly in the lead.
Bio Arriba will be split, each side will get part of the delegation.
San Jun. county will be looked after by Olero and will be carried, as it is

erstood that General Bartiett has San Miguel and Santa Fe counties will both be the scene of battles. San Mig\_ei may go for Otero, as he has promised to have Secundino Romero go as a delegate to the national convention, if the Otero faction wins. And with Don Kugenio go

against his son's interest?

Santa Fe c unty is a field for a fierce light, as all of the old-time Catron men are failing away and going to Otero and all of the young element, except O'Brien and a few, are for Otero, but Catron will spend money to keep from losing his own county and Santa Fe county will be the Catron column.
Sterra county is doubtful and will re-

nain so until the convention meets. Union to but little heard from, but oth sides are cialming it. Valencia will be divided.

Luna cannot go against Col. J. Fran-risco Chavez and if any of Chavez's riends get in, they will be for Catron. LIMIT OF SPEED.

tory's former extension to the Mississippt, and reached down to the lower part of the Gulf of Mexico. Its northerly line, then the great lakes, has, in the case of Alaska, been stretched far north of the Aretic elrela.

In the year of Washington's death the receipts of the government were \$7,000,-000 and its expenditures \$9,000,000. In the flecul year 1899 the expenditures were B. Bertoni Receives a Bullet in His \$700,000,000 and the receipts were slightly below that mark. The wealth of the country, which was less than \$1,060,000,-009 then, or much below that of the single city of New York now, is \$90,000,-

000,000 at the present time. SENTENCED FOR RICHT VEAMS

Collier, Who Robbed Simpson's Safe Found Sullty. E. G. Collier was this morning in the istrict court sentenced to eight years' ard work in the state pentientiary by Judge Northeutt. The Jury found Collier guilty on Saturday evening. Attorney Jas McKeogh, jr., conducted the resecution in behalf of the Colorado & outhern railway company, Collier havng been tried and found gullty of burglarizing that road's safe, in this city, on June 14, 1899. The prosecution was one in the county. A peculiar coincidence was that the safe was robbed on the 18th on the 15th of June. From there he ex-The shoriff stated that he was sum pressed the package to Las Vegas and moned about 3 o'clock this morning to later to Albuquerque. On the 31st of safe of considerable money. Hewed up out of jail on the night of his arrest and was captured to San Francisco. When arrested his watch was taken, but when placed in jail here the time-piece was given back to him and a receipt taken for it. Experts compared the signature, housekeeping, and Mrs. Apodaca (Mr. and it was identical with that on the express books. The \$5 bill was the property of Ticket Agen; Fredriey, who had
